Dear Mr. & Ms. McNae,-

Hope you are well. Attached please find two supplemental discovery responses from ARAG. As part of these, ARAG is producing additional documents (ARAG010283 - ARAG011959), including documents ARAG has received in response to subpoenas issued to Microsoft in this litigation. You may access these documents using the following download link. The documents are password protected, and I will send you the password momentarily under separate cover.

[REDACTED]

As a friendly reminder, many of today's documents and those produced by ARAG in the past have been designated "CONFIDENTIAL" under the stipulated protective order that Judge Lin has entered in this case, a copy of which is attached for your reference. Thank you.

Regards,  
Michael
